**Item 3. Source and Amount of Funds or Other Consideration**

On October 10, 2019, the Issuer entered into Stock Purchase Agreements with each of Grand Decade (the "CGP Purchase Agreement") and Sirtex (the "Sirtex Purchase Agreement"), and together with the CGP Purchase Agreement, the "Purchase Agreements") pursuant to which the Issuer agreed to sell and issue to CGP and Sirtex 10,000,000 shares and 2,000,000 shares, respectively, of the Issuer's Common Stock at a purchase price of \$2.50 per share. On February 7, 2020, the transactions set forth in the Purchase Agreements were consummated (the "Closing"). Pursuant to the terms of the Purchase Agreements and for consideration paid by the Reporting Persons, the Issuer issued to CGP and Sirtex 10,000,000 shares and 2,000,000 shares, respectively, of the Issuer's Common Stock.

Grand Decade used the working capital of CGP, its parent company, to fund the purchase of the Issuer's Common Stock pursuant to the CGP Purchase Agreement.

Sirtex used its working capital to fund the purchase of the Issuer's Common Stock pursuant to the Sirtex Purchase Agreement.

**Item 4. Purpose of Transaction**

The acquisition by the Reporting Persons of the Issuer's securities as described herein was effected in connection with, and in consideration of, the Purchase Agreements. The Reporting Persons agreed to receive the securities in connection with the Purchase Agreements because of their belief that the securities represent an attractive investment. In connection with the Purchase Agreements, the Board has (i) renounced any interest or expectancy of the Issuer in, or in being offered an opportunity to participate in, business opportunities that are presented to Grand Decade and certain related parties, the directors on the Board which have been nominated by Grand Decade or Sirtex pursuant to the Stockholder Agreements (as defined below), any other person or persons who are, at the time, associated with or nominated by, or serving as representatives of either Grand Decade or Sirtex, or the respective affiliates of the foregoing parties (including their officers or directors who are employees, officers, directors, managers, stockholders or members) (the "Covered Persons"), (ii) resolved that none of such Covered Persons shall have any obligation to refrain from (a) engaging in similar activities or lines of business as the Issuer or developing or marketing any products or services that compete, directly or indirectly, with those of the Issuer, (b) investing or owning any interest publicly or privately in, serving as a director or officer of or developing a business relationship with, any person engaged in similar activities or lines of business as, or otherwise in competition with, the Issuer, (c) doing business with any client or customer of the Issuer or (d) employing or otherwise engaging a former officer or employee of the Issuer, and (iii) resolved that neither the Issuer nor any of its subsidiaries shall have any right to be offered any opportunity to participate or invest in any venture engaged or to be engaged in by any Covered Person.

Concurrently with the execution and delivery of the Purchase Agreements, the Issuer and Grand Decade entered into a License Agreement (the "License Agreement"), which became effective upon the Closing. Pursuant to the License Agreement, the Issuer, among other things, granted Grand Decade and its affiliates an exclusive, sublicensable, royalty-bearing license to develop, manufacture, commercialize, or otherwise exploit the Issuer's current and future products, including TAVO™ and the Issuer's new Visceral Lesion Applicator ("VLA"), in the Territory (as defined in the License Agreement). Under the terms of the License Agreement, Grand Decade will pay the Issuer up to 20% royalties on the Net Sales (as defined in the License Agreement) of such products in the Territory (as defined in the License Agreement) during the applicable Royalty Term (as defined in the License Agreement).

In addition, the Issuer and Sirtex entered into a Services Agreement (the "Services Agreement") which will become effective upon the Closing. Pursuant to the Services Agreement, the Issuer agreed, among other things, to pay Sirtex low single-digit royalties on the Net Sales (as defined in the Services Agreement) of all Products (defined as TAVO™ and VLA products and their accompanying generators, and any products (including, for clarity, combination products) incorporating or including such products and their accompanying generators), in all countries other than those in the Territory (as defined in the Services Agreement). In exchange for the low single digit royalty fee, Sirtex will provide the Issuer with certain services for these products, including key opinion leader management and engagement services, voice of customer (VOC) services, development of a go to market strategy, and pricing, reimbursement and market access services.

The Issuer also entered into Stockholder Agreements (the "Stockholder Agreements") with each of Grand Decade and Sirtex. Pursuant to the Stockholder Agreements, among other things, Grand Decade and Sirtex have the option to nominate a combined total of three (3) members to the Board of Directors of the Issuer (the "Board"), initially upon the Closing, and thereafter at every annual meeting of the stockholders of the Issuer in which directors are generally elected, including at every adjournment or postponement thereof. Grand Decade will also have the option to nominate up to two (2) independent directors to the Board if any independent director currently serving on the Board ceases to serve as a director of the Issuer for any reason, provided that the independent director nominee shall be satisfactory to a majority of the independent directors of the Issuer. Any director nominee, including any suggested by Grand Decade, is subject to evaluation and approval by the Nominating and Corporate Governance Committee. If either Grand Decade or Sirtex beneficially owns less than 40% of the shares acquired pursuant to the Purchase Agreements, either (as applicable) shall have the right to nominate members to the Board in proportion with their ownership of the issued and outstanding common stock.

The Stockholder Agreements provide that (i) as long as Grand Decade owns at least 70% of the Purchased Shares (as such term is defined in the Stockholder Agreement with Grand Decade), Grand Decade's consent is required for the Issuer to take certain actions and (ii) as long as Grand Decade owns at least 40% of the Purchased Shares, an enhanced 70% Board vote standard is required in order for the Issuer to take certain actions. These actions include, among other things, amending the Issuer's Articles of Incorporation or Bylaws, increasing the size of the Board to more than nine directors, approving the Issuer's annual budget and incurring any capital expenditures or any obligations or liabilities in respect thereof in excess of \$500,000. Grand Decade and Sirtex each have certain rights of participation in future financing so long as it beneficially owns 60% or more of the shares purchased at the Closing. For so long as this ownership threshold is maintained, each buyer is entitled to purchase, on a pro rata basis, any New Securities (defined below) that the Issuer may sell or issue.

The term "New Securities" means any debt or equity securities of the Issuer or any subsidiary of the Issuer, and rights, options or warrants to purchase such debt or equity securities, and securities of any type whatsoever that are, or may become, convertible into or exchangeable for such debt or equity securities. The term "New Securities" does not include: (i) shares of the Issuer's common stock (and/or options, rights or warrants for common stock) issued or issuable in connection with an acquisition transaction or other merger and acquisition transaction, strategic alliance or partnering/licensing arrangement that is approved by 80% of the members constituting the entire Board; (ii) any securities issuable upon exercise of any options, warrants or rights to purchase any securities of the Issuer outstanding on the date of the Stockholder Agreements; (iii) any securities issued pursuant to equity plans of the Issuer (including inducement awards or any arrangements in place as of the date of the Stockholder Agreements); and (iv) shares of the Issuer's common stock issued in connection with any stock split or stock dividend. Grand Decade has a right of first refusal prior to the Issuer entering into any definitive agreement regarding a Competing Proposal (as defined in the Purchase Agreements) or any material licensing transaction (a "ROFR Transaction"), so long as Grand Decade beneficially owns 60% or more of the shares purchased at the Closing. For so long as this ownership threshold is maintained, the Issuer will deliver to Grand Decade notice of the ROFR Transaction (the "ROFR Notice") which will contain the following information: (i) a description of the structure of the ROFR Transaction, including the assets or securities to be sold or acquired by the third party pursuant to the ROFR Transaction (the "Issuer's Interests"), (ii) the purchase price and a description of any non-cash consideration, (iii) the identity of the proposed third party; and (iv) any other material terms and conditions of the proposed ROFR Transaction, including the proposed closing date. In addition to the ROFR Notice, the Issuer will also deliver a written offer to Grand Decade (the "ROFR Offer"), to sell to Grand Decade the Issuer's Interests on the same terms and conditions as set forth in the ROFR Notice. Grand Decade will have 60 days upon receipt of the ROFR Notice (and in any event, no longer than 90 days), to accept or reject the ROFR Offer.

The Issuer, Grand Decade, and Sirtex entered into registration rights agreements pursuant to which, among other things, Grand Decade and Sirtex will each have the right to deliver to the Issuer a written notice requiring the Issuer to prepare and file with the SEC, a registration statement with respect to resales of shares of some or all the common stock of the Issuer held by Grand Decade and Sirtex.

Except as described above, the Reporting Persons presently have no plans or proposals which relate to or would result in any action enumerated in subparagraphs (a) through (j) of the Instructions for Item 4 of Schedule 13D. The Reporting Persons intend to continue to review their investment in the Issuer on an ongoing basis and, depending on various factors, including, without limitation, the Issuer's financial position, the price of the Common Stock, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may, in the future, take such actions with respect to their shares of Common Stock as they deem appropriate, including, without limitation and subject to the terms of the Purchase Agreements: purchasing additional shares of Common Stock; selling shares of Common Stock; taking any action to change the composition of the Issuer's board of directors; taking any other action with respect to the Issuer or any of its securities in any manner permitted by law or changing their intention with respect to any and all matters referred to in subparagraphs (a) through (j) of the Instructions for Item 4 of Schedule 13D.
